

Roadway Naming Rules:

- Avoid family names or individuals names (especially first and last name together and politicians)
 - Avoid sound-alike names (e.g., Maine St and Main St)
- Do not use the same name with a different suffix as this does not constitute a name change (e.g., Smith Dr, Smith Ln)
 - Avoid special characters, such as apostrophes or hyphens
- Avoid using a standard suffix as a part of a roadway name (e.g., Court St, Avenue Ln)
